Dear Friends,

I am very pleased to announce that in partnership with the World Kobudo Federation, the Canadian Chinese Kuo Shu Martial Arts Federation (CCKSF) will host the Chinese Marital Arts divisions at the International Convention New Look-World Kobudo from April 30th to May 2nd, 2010. This year, the event will be held in Levis, Quebec – just outside the beautiful and scenic Quebec City.

The International Convention will offer seminars of various martial art styles such as Jujitsu, Karate, Taekwondo, Kung Fu, etc. but also includes The WKF Vision Cup World Championship - a multi-disciplinary, international caliber competition and draws competitors from many countries from around the world. This year, Kung Fu will be included as one of the disciplines in the championship.

An advanced level competition for teens through adults, the Championships will be a great opportunity to compete with top competitors, meet new friends and share in camaraderie through martial arts while enjoying the beautiful scenery and historic sites of Quebec City.

We are pleased to announce a wide variety of divisions and welcome all of you from your many areas of specialty and diversity in your martial backgrounds, including empty hand, weaponry, pushing hands, sparring and weapon sparring.

For more details on the seminars, please visit the following website:
